PRESENTATION

“Attorney Network” is an exceptional opportunity to get judicial and economical advice in Geneva. Having its headquarter in Geneva, allows “Attorney Network” to benefit from Geneva's geographical situation.

Geneva is indeed one of the most multicultural cities worldwide hosting a large number of international organizations. Due to this multiculturalism “Attorney Network” is composed of very competent and skilled lawyers specialized in several national legal systems and in public and private international law.

“Attorney Network” is a human-sized company that mobilizes, at any time, very ambitious teams who propose tailor-made solutions to their clients. The team is composed of proactive and determined specialists who guarantee to satisfy in an effective way their clients' needs and expectations. At “Attorney Network” the customer satisfaction remains at the center of their activity. Furthermore with an approved and rigorous working methodology “Attorney Network” involves itself with its customers on a long term basis. Its multi-disciplinary skills allow a global approach of its customer's problems.

The Network offers its services in four languages: French, Spanish, German and English.
